Directions To 111 Industrial Pkwy:

COMING FROM THE NORTH AND EAST (Amherst, Tonawanda, Rochester): Take I-90, the NYS Thruway, westbound to exit 52-A, William St. Turn left at the bottom of the ramp, and follow William until it ends at Union and turn right. Follow Union to the fourth light. Take a left (two lanes for left turn) onto French Rd and go 1/10 mile to the first signal. Turn left onto Scrivner and immediately right on Industrial. Sunshine is the last building on the right.

COMING FROM THE SOUTH AND WEST (Hamburg, PA, OH): Take I-90 East to Exit 54, NY 400 (Aurora Expressway). NY 400 starts at I-90. The second exit is Union Rd. At the light at the end of the ramp, turn left on Union. French Rd will be the first right turn after Denny's Restaurant, about 1.5 miles north of NY 400. Follow French Rd. as above.

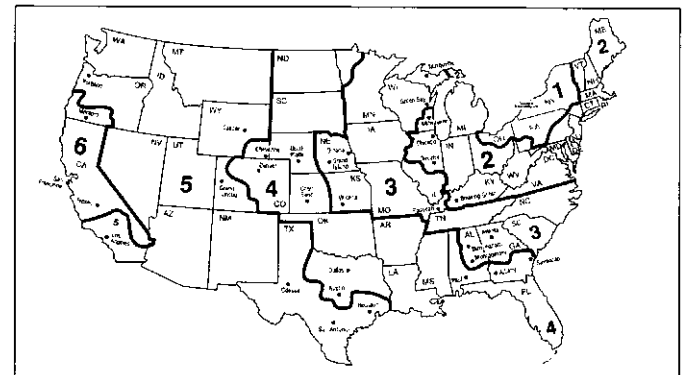

COMING FROM CANADA, VIA LEWISTON OR NIAGARA FALLS Take the I-190 South, across Grand Island to the I-290 East. Take I-290 East until it ends at I-90 (the NYS Thruway). Follow the I-90 West to Exit 52-A, William St. (which is AFTER exit 52-E and 52-W). Turn left at bottom of the ramp and take William until it ends at Union. Follow Union as noted in "Coming from the North and East", above.

COMING FROM CANADA, VIA THE PEACE BRIDGE AND FT. ERIE Take I-190 South until it ends at I-90. Take I-90 East to Exit 52-A, William St. At the bottom of the ramp, turn right and follow William until it ends at Union. Follow Union as noted in "Coming from the North and East", above.

DELIVERY TIME The map below gives estimated travel time. Orders shipped Monday should be in Chicago or NJ by Wednesday, Denver by Friday. Use this as a guide only. During peak season, allow an extra day or two for delivery.

5) We Ship FAST!

Scheduled delivery days from Buffalo

Most orders in by noon go the same day! Nearly every UPS order in the last 30 years has been shipped by the next business day. Please be sure your order is complete when you call. Once packed, additions are considered a new order.

6) PAYING FOR YOUR ORDER

Master Card, Visa, Discover and American Express are welcome. We also accept PayPal payments. Not a PayPal member? Visit www.paypal.com for details. Avoid COD charges and use your credit card!

CHECKS AND MONEY ORDERS are accepted. Returned checks are assessed a \$35 service charge, regardless of reason. Checks sent for collection have a \$75 collection fee added. Future orders will be on a "cash in advance" basis.

COD can be used for UPS shipments (USA only). Add \$15.95 fee.

7) BACKORDERS

Backorders are issued for out of stock items if they are expected shortly AND total over \$20. A Backorder Form will be enclosed. No additional shipping charges will apply. Please reorder any other out of stock items.

8) RETURN POLICY

If we shipped the wrong materials, please contact us so we can make arrangements to get the right materials to you at no further cost. If you need to return merchandise, please call for a return authorization number. **Returns must include the original invoice, and must be requested within 30 days of invoice date.** After 30 days, all sales are final. There is a 15% restocking fee on mail order returns.

SORRY, BUT WE ARE UNABLE TO ACCEPT RETURNS ON: GLASS, CAME OR REBAR, BOOKS, VIDEOS, PATTERNS, SAMPLES OR SPECIAL ORDERS,

ITEMS RETURNED WITHOUT AN INVOICE OR AFTER 30 DAYS

No credit is given on materials returned in unsaleable condition, damaged in transit or in sealed packages that have been opened.

9) DAMAGED OR MISSING ITEMS

Every order has an insert detailing steps to be taken should an order arrive damaged or short.

CLAIMS FOR SHORTAGES MUST BE MADE WITHIN 48 HOURS OF RECEIPT.

10) SPECIAL REQUESTS

We give each order personal attention. For your special needs such as selecting the grain of the glass, just ask.

11) SPECIALS SHEETS

We mail *Specials Sheets* every 6-8 weeks. Current solder prices, new products and sale items are listed. Stay on the active list ... place orders!

12) EFFECTIVE DATE OF PRICES

All prices are subject to change without notice. We reserve the right to correct typographic errors. Our suppliers reserve the right to change the specifications on their products. We post updated prices on our website.

13) TAX EXEMPT ORGANIZATIONS

Schools, Religious Organizations or other tax exempt institutions **MUST** put their entire order on an official Purchase Order or letterhead regardless of method of payment. All tax exemption paperwork must be included with the first order. Sorry, but New York State allows no exceptions to this rule!

14) TECHNICAL HELP HOTLINE

If you have a question about using a product, give us a call on our TECHNICAL HELP HOTLINE: (716) 668-9625. Our staff has decades of experience in stained glass and we use the materials in this catalog on a regular basis.

PG A-1 GLASS ORDERING INFORMATION

Please use the catalog numbers found in *Catalog #41*. Check the price code following the color description to find prices in the pricing chart. Mail order customers may specify special requests for color mix, direction of grain, etc. If no special requests are given, we will select the "nicest" sheets available.

UPS'able SHEETS are priced per sheet. The **UNIT PRICE** shown is the cost per square foot. It is shown for price comparisons.

FOR STOCK SHEETS TO BE SHIPPED VIA UPS, Add \$3 per sheet handling. Stock Sheets are cut to UPS'able LARGE or MEDIUM size sheets. Add **BOXING CHARGES** below. Maximum three stock sheets per box.

BOXING FEES

All glass shipped via UPS is subject to boxing fees to cover the cost of custom cartons and extra labor to ensure safe delivery.

DICHROIC RANDOM PIECES

RANDOM PIECES PACKS are a broad mix of random sizes and shapes of dichroic coated glass. Piece size varies from less than 1x1 to (in some cases) up to 2x3 or so. Coatings and styles are totally random and will vary from pack to pack.

Standard Coatings Packs contain 6 oz and generally includes standard, thin and textures.

Crinklized Coatings Packs contain 4 oz of only smooth, thin glass.

All Packs are available with clear, black or mixed base glasses.

DICHOIC FRIT

DICHOIC FRIT is sold in 2 oz tubes. CBS places COARSE frit in the coating chamber and applies the dichroic coating to the individual glass particles, coating much more of the surface area of each bit. This results in a dramatic dichroic effect.

DICHOIC FRIT FLAKES

DICHOIC FLAKES are made with MEDIUM frits, coated with CBS's popular Rainbow 1 coating. To ensure a bright dichroic effect, CBS loads clear frit directly into the coating chamber to coat as many surfaces of each bit as possible. Use in castings to give a bright and deep effect.

Dichroic Frit Flakes are used in this cast pendant. Clear frit and Frit Flakes are placed in the mold first. Black frit is added to fill the mold, producing a deep, dark background that shows off the bright dichroic bits.

Sold in 1 oz tubes (1 1/2" long, 1/2" diameter)

DICHOIC EXTRACT

Dichroic Extract is the dichroic coating removed from the surface of the glass. NO COE to worry about. 1/8 sheet per jar.

Apply with just a drop of water and small brush. A tiny bit goes a very long way.

Complete instructions and video are at:

Requesting Specific Grain Direction For Your Glass

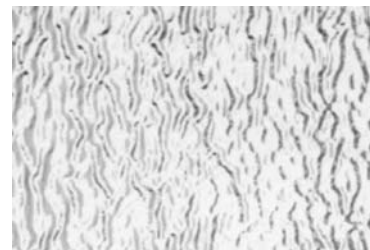

The grain direction often makes all the difference in completing your project or being caught short. In order to help you maximize your glass yield we may be able to pick a specific grain direction for your glass sheets (depending on the glass manufacturer).

The glass sheets on the left show the grain of the glass *following* (or *parallel*) to the long edge of the sheet.

The sheets of glass on the right show the texture or grain of the glass to be *against* (or *perpendicular*) to the long edge of the sheet.

In using the terminology above to describe your needs we will be better able to fill your needs.

GLASS BY THE STOCK SHEET

*All stock sheets are automatically discounted
10% off our UPS'able sheet prices.*

FOR STOCK SHEETS TO BE SHIPPED VIA UPS, Add \$2 per sheet handling. Stock Sheets are cut to UPS'able LARGE size sheets and packed in our special Large Box. Add \$9.49 per box. Maximum three stock sheets per box.

NOTE ON ORDERING STOCK SHEETS:

Many Stock Sheet Sizes are noted as "size may vary" in Catalog #41. Stock sheet sizes shown are nominal. You will be billed for footage shipped. If sheet size is critical for your project, please let your salesperson know!

GLASS ORDERING TIPS

WHEN ORDERING GLASS, PLEASE KEEP IN MIND:

Glass will vary from batch to batch. Be sure to order more than enough-- it may be impossible to find an exact match later.

Multi-color mixes vary widely from one sheet to the next. When ordering, let us know if you need your sheet heavy on a particular color. Tell your sales person "heavy on the green" and we will select sheets to fit your needs.

If you need an exact match, please send a sample. If you supply us with a Glass Sample with the Catalog Number marked (ie. from our Sample Sets or from a Factory Sample Set ... or ... if you know the Catalog Number and need more glass that matches the sample) there is **NO CHARGE** for the matching service. If you send us a sample with **NO** identification, there is a nominal \$5 Sample Matching Charge to cover our time and effort to find the proper color. There is no charge if we cannot match the sample or find the Factory Catalog Number. Extra charges will apply if we have to ship the sample to the Factory for ID.

All customers and orders are tracked using your CUSTOMER ID#. You will find that number on mailing labels and invoices. Use it with all orders or correspondence. If your ID# is "36" or "38", that indicates that we haven't had the pleasure of filling an order for you. When you place your first order, we will then assign a five digit ID# in our system.

If a substitution is NOT acceptable, please place an "X" in the DNS (Do Not Substitute) column to the left of that item.

* Email addresses are never shared with other individuals or companies. We will only use your email address to contact you about an order or to occasionally send notices of price changes, new products, sales and current promotions.
